

# Integers

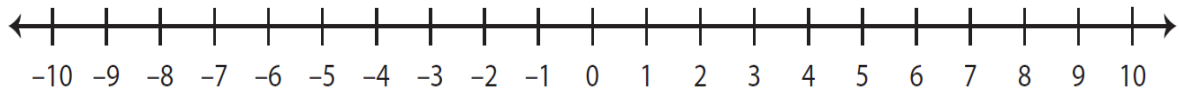

Grade 6 Number Line Worksheet

Date: \_\_\_\_\_

Name: \_\_\_\_\_

LET'S MAKE LEARNING FUN

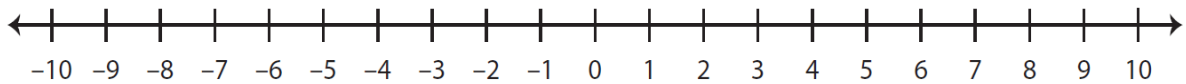

1. Answer the following questions using the number line provided.

- a. 2 unit to the left of 8 is \_\_\_\_\_
- b. 3 units to the right of -7 is \_\_\_\_\_
- c. 4 units to the left of -2 is \_\_\_\_\_
- d. 5 units to the right of -3 is \_\_\_\_\_
- e. 3 units to the left of 4 is \_\_\_\_\_
- f. 6 units to the right of -1 is \_\_\_\_\_
- g. 4 units to the left of 0 is \_\_\_\_\_

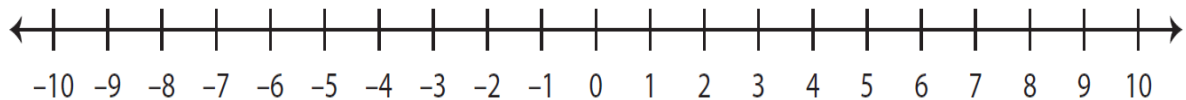

2. Mark the the following integers on the number line provided.

- a. (i) 3      (ii) -4      (iii) 9      (iv) -8

3. Mark the the following integers on the number line provided.

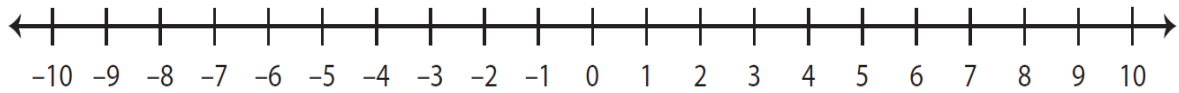

- a. (i) -5      (ii) -2      (iii) 1      (iv) 7

# Integers

Grade 6 Number Line Answer Sheet

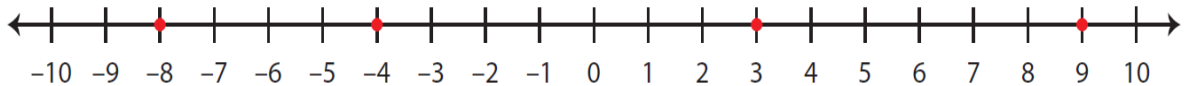

1. Answer the following questions using the number line provided.

- a. 2 unit to the left of 8 is 6
- b. 3 units to the right of -7 is -4
- c. 4 units to the left of -2 is -6
- d. 5 units to the right of -3 is 2
- e. 3 units to the left of 4 is 1
- f. 6 units to the right of -1 is 5
- g. 4 units to the left of 0 is -4

2. Mark the the following integers on the number line provided.

- a. (i) 3      (ii) -4      (iii) 9      (iv) -8

3. Mark the the following integers on the number line provided.

- a. (i) 7      (ii) -2      (iii) -5      (iv) 1
